Scraper Boot

Scraper Boot

3" Webbing (75mm)

Long Boot

Seat belt systems by IMMI® are engineered and field tested to reduce cinching and provide cushioning for rough rides in industrial applications. These features provide the operator with increased comfort and range of movement and encourage seat belt use.

- Adjusts to operator size
- Stores and protects webbing
- Designed for heavy duty environments
- Combines with Comfort Ride products to provide optimal comfort system
- Interchangeable with all IMMI 2" and 3" Automatic Locking Retractors (ALR)
